**SNOW**

**WHITE**

# About the Author

The story of Snow White, as most commonly known today, was popularized by the Brothers Grimm, Jacob and Wilhelm Grimm, German scholars who collected and published folklore during the 19th century. Their collection of fairy tales, "Grimm's Fairy Tales," includes many well-known stories that have been adapted into various formats over the years.

# Characters of the Story

- **Snow White:** The kind and beautiful main character of the story.
- **The Evil Queen:** Snow White's wicked stepmother who is envious of her beauty.
- **The Seven Dwarfs:** Doc, Grumpy, Happy, Sleepy, Bashful, Sneezy, and Dopey, who provide refuge and friendship to Snow White.
- **The Huntsman:** Ordered by the Evil Queen to kill Snow White but ultimately spares her life.
- **The Prince:** Falls in love with Snow White and ultimately saves her.

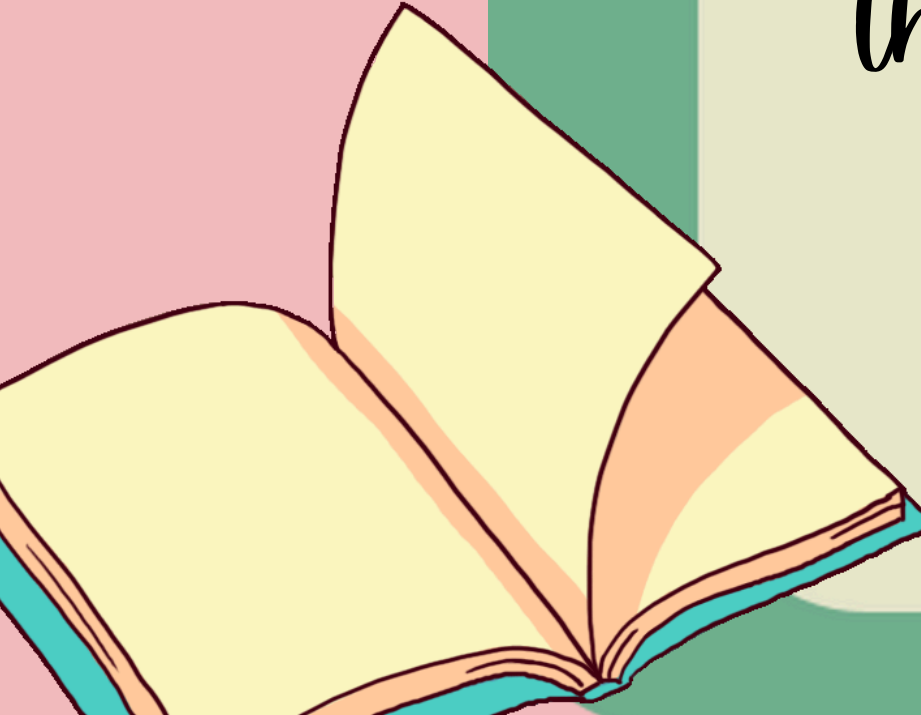

## Settings

- **The Castle:** Where Snow White lives with her stepmother, the Evil Queen.
- **The Forest:** Snow White flees into the forest to escape the queen's wrath.
- **The Dwarfs' Cottage:** A small, cozy home in the woods where the seven dwarfs live and where Snow White finds safety.

## Problem

The central problem of the story is the Evil Queen's jealousy of Snow White's beauty. She consults her magic mirror daily and, upon learning that Snow White is now the fairest in the land, decides to eliminate her stepdaughter to regain her title as the most beautiful.

# Solution

The solution comes through a combination of Snow White's resilience, the kindness of the seven dwarfs, and the love of the Prince. Despite several attempts by the Queen to kill Snow White, including the infamous poisoned apple, the Prince revives her with true love's kiss, breaking the spell and ultimately leading to the Queen's downfall.

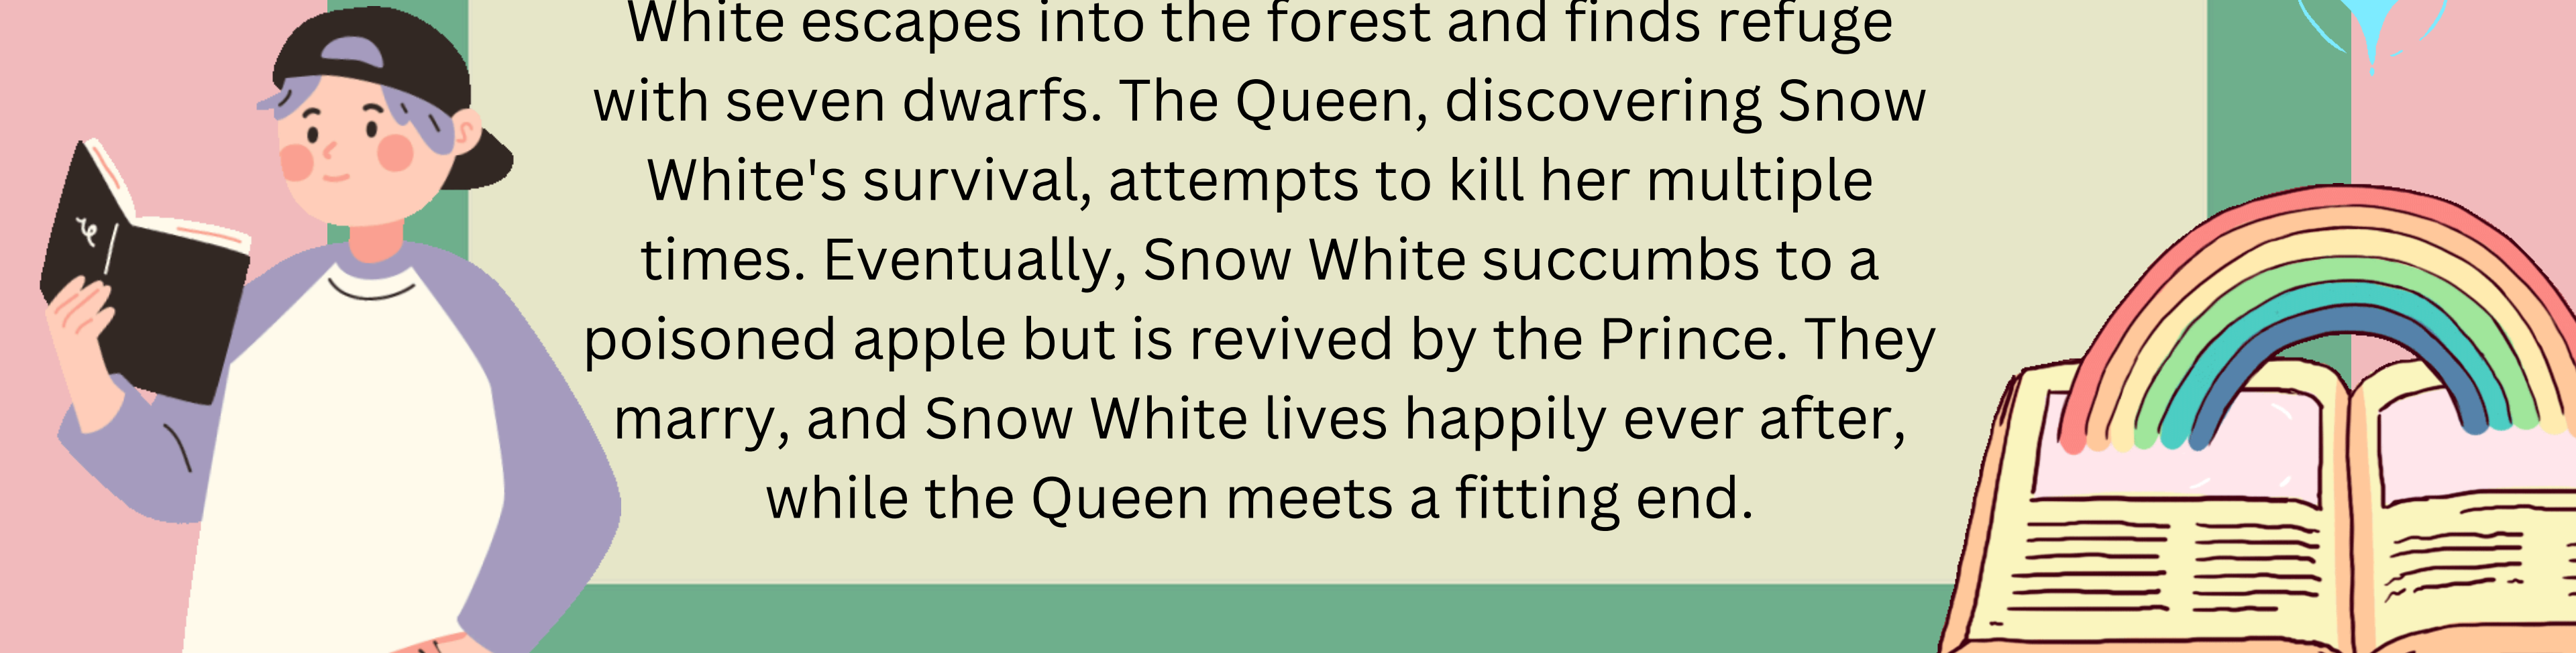

# Summary of the Story

Snow White is a beautiful young princess who becomes the target of her stepmother's jealousy.

The Evil Queen orders a huntsman to kill Snow White, but he cannot bring himself to do it.

Snow White escapes into the forest and finds refuge with seven dwarfs. The Queen, discovering Snow

White's survival, attempts to kill her multiple times. Eventually, Snow White succumbs to a poisoned apple but is revived by the Prince. They marry, and Snow White lives happily ever after, while the Queen meets a fitting end.

## Lesson Learned

- The Dangers of Vanity and Jealousy: The Queen's obsession with beauty and her jealousy lead to her downfall.
- Kindness and Compassion: Snow White's kindness towards others earns her their help and protection.
- The Power of True Love: The story emphasizes the idea that true love can overcome even the most insurmountable obstacles.
